A journey through the divide between the miraculous and the magical

A journey through the divide between the miraculous and the magical

Thousands of people coming to Christ

Your partnership can make this happen

A world class performance of magic & illusion combined with the gospel to captivate your audience

- ★ In one night we saw 46% of the audience commit to Christ
- ★ In one night we saw a youth group triple in size

We want to help draw people into your community and provide an opportunity for them to step in faith towards Christ
